

FILTERING PROFILES

As part of an overall computer security RFP, the Department of Technology selected Content Keeper as the school division's Internet filtering solution. For Internet filtering purposes, all adults and students will be assigned a Content Keeper Profile (below). The accompanying table indicates the categories of sites that will be blocked for each profile.

ADULT PROFILES *

1. Administrator: All Administrative Positions as defined in WISE, Computer Resource Specialist, School Resource Officer
2. Instructional Staff: Teacher, Guidance Counselor, Library Media Specialist, Student Activities Coordinator
3. Non Instructional Staff: School Administrative Associate, School Office Associate, Cafeteria Manager, Custodian, Bookkeeper, School Nurse, SAB, Transportation, School Plant, Laskin Road Annex, Building 16, and Instructional Resource Center
4. Guests and Volunteers: PTA, volunteers, presenters (assemblies, etc.), members of groups using school division facilities
5. Restricted– This profile completely blocks all Internet access and is for both student and staff as deemed necessary for discipline purposes.

* An individual's assigned Profile is dictated by the role expected of an individual in a given position; not solely on position title.

STUDENT PROFILES

1. Elementary School students
2. Middle School students
3. High School students
4. Adult Learning Center students
5. Advanced Technology Center students
6. Technical & Career Education Center students
7. Juvenile Detention Center students
8. Restricted – This profile completely blocks all Internet access and is for both student and staff as deemed necessary for discipline purposes.
